GEP rules

Milena Koprivnikar B

Phytosanitary Administration RS

Legal background

- **Act on PPP**
- **Rules on certificate for Good Experimental Practice**
- **Application to PARS**
- **Documentation, field visit and interview**
- **Certificate for 5 years**

Requirements

- **Organizations dealing with agriculture**
- **Appropriate premises and field testing facilities**
- **Appropriate equipment – regularly calibrated and tested**
- **Personnel; responsible person**

Procedures

- **Written SOP (ISO)**
- **EPPO guidelines**
- **Data requirements, evaluation and decision making procedures for pesticide registration**
- **Annex II, Annex III and Annex VI (91/414/EEC)**

Purpose ?

- **Good quality data**
- **Used in registration procedure**
- **Independency from industry**
- **International comparability**

Status

- **Efficacy testing not compulsory in SI**
- **Reason: not all points for efficacy and other data on use covered (Annex III, VI – 91/414/EEC)**
- **Data from other Member States for registration purpose**
- **Industry still interested for testing for commercial purpose**

Thank you for your attention!
