**Total**

**144**

# Legislation activities, progress since last CEUREG XVII

- ❑ **Act on sustainable use of pesticide, OG No 14/2014**
- ❑ The Ordinance on the amount of fees in accordance with article 74 of Regulation (EC) No 1107/2009 and article 42 of Regulation (EC) No 396/2005

## OTHER ACTIVITIES SINCE LAST CEUREG XVII ...

- ❑ **1 GEP institution** has been authorised
- ❑ **Handbook** for the implementation of training for all categories of trainees is on the web site of Ministry of Agriculture
- ❑ **Regular control** of pesticide application equipment is carried out by authorized test stations (6 authorized test stations)
- ❑ **Certification systems** for the training of users, distributors and advisors: **20** authorized institutions by competent authority
- ❑ **Register of legal and natural person** engaged in placing PPPs on the market in the frame of the PIS (**425** distributors)
- ❑ **Record keeping on sold quantities of PPPs** and report to the Ministry of Agriculture on total annual sales of PPPs to end consumers has been established

## Information and Conclusion

- ❑ Still lack of capacity for zonal registration taking into account number of request of companies for authorisations
- ❑ At the moment HR zonal application: 2 on going in 2014, 3 accepted for 2015 and 3 accepted for 2016
- ❑ Lack of experience as zMR
- ❑ As soon as possible the education for users, distributors and advisors will start
- ❑ Inspections of pesticide application equipment has started and 10% of checkup has been done
