- **Information to neighbours**

## Directive EP and Council (EC) 2009/128/ES, establishing a framework for Community action to achieve the sustainable use of pesticides

The specific areas in question are areas used by the general public or by vulnerable groups as defined in Article 3 of Regulation (EC) No 1107/2009, such as public parks and gardens, sports and recreation grounds, school grounds and children's playgrounds and in the close vicinity of healthcare facilities

## Law definition

- Specific areas are those according to 128/2009 and all urban areas.
- Areas may be extended by local authorities. The extention shall be justified

## Buffer zones

- Up to 20 meters from those areas if the label does not specify more
- Ministry of Health may specify further risk mitigation measures e.g. Obligation of informing neighbours

## Relevant products

- Carcinogenic (H350 or H350i; R45 or R49)
- Mutagenic (H340; R46)
- Toxic for reproduction (H360; R60 or R61)
- Sensibilising (H334; R42)
- Others specified by the Ministry of Health

# Thank you for your attention!
